Introducing

A place where you can play all the games from Clever all in one app.

CLEVER GAMES player℠

Play, download or purchase games that are available on personal computers, smartphones and tablets.

Get games and add-ons for a reduced price that you can't get on third-party platforms.

Sign into your Clever ID on the app and you'll immediately get Crossover functionality across all your games.

For select games, you can download a trial of a game so you can decide if you would like to purchase it.

Want to try more of a game? You can purchase a one-week (7 days) trial for half the price. If you like it, you can buy it for another half.

In addition...

A subscription service where you can access tons of games from Clever, as well as discounted prices for add-on content and more.

CLEVER GAMES Plus℠

You can subscribe to
Clever Games Plus for just

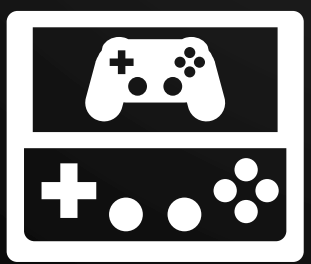
£1.99/$2.99

per month

or

£19.99/$29.99

per year



Clever Games Plus will also be available on the Lifestyle Gaming app.

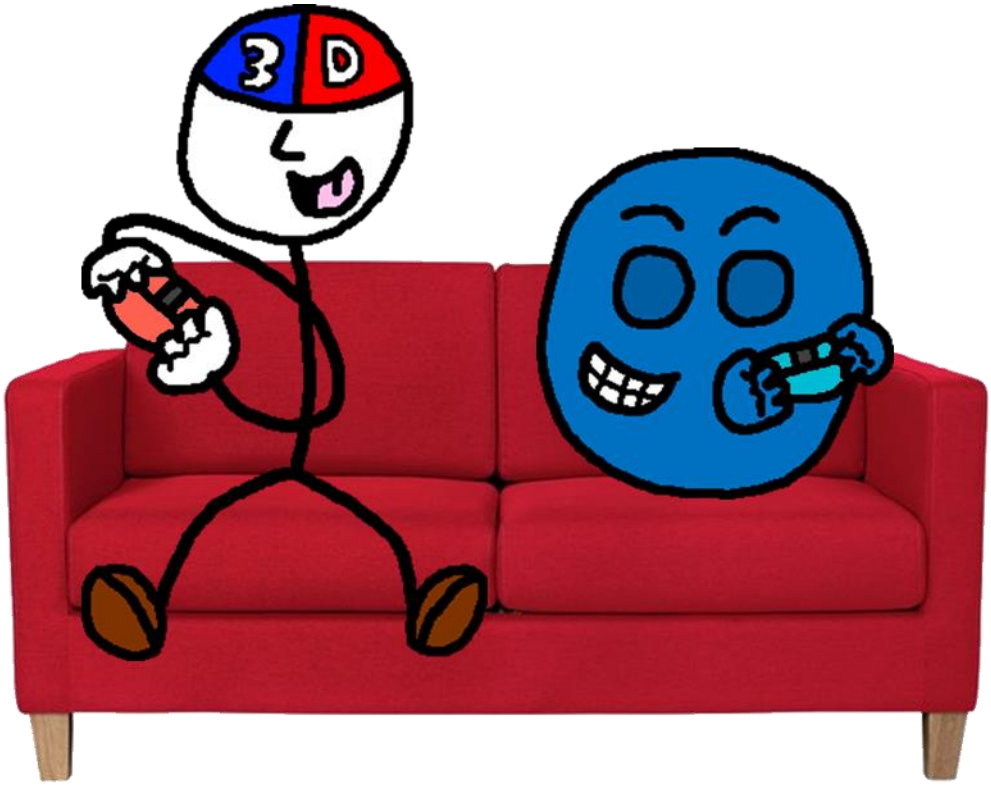
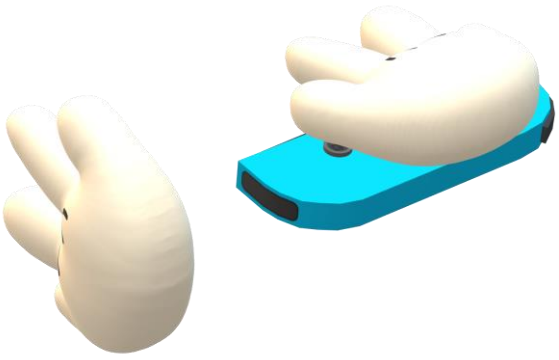
CLEVER ALL-STARS™

SWITCHED



Play over 8 minigames from Clever's all-star cast of characters that all take advantage of the Nintendo Switch!

1



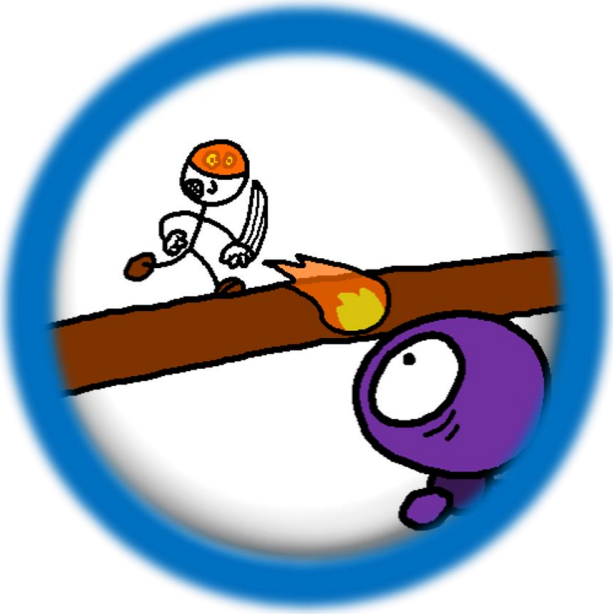
Bluiens™

Tilt forwards and backwards with the motion controls and move your hand towards or away from the IR camera of the right Joy-Con to suck up ghosts that are haunting a cave mine.

SPACE BABEZ™

Move and tilt the Joy-Con and shoot with the trigger to takedown enemy ships that are targeting you.

3



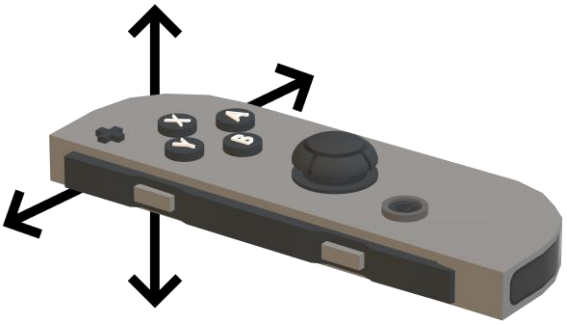
3D-MAN™

Move the control stick left and right, then thrust the Joy-Con to throw a fireball at enemies to kill them so you can earn points.

SPEEDY™ BALLS

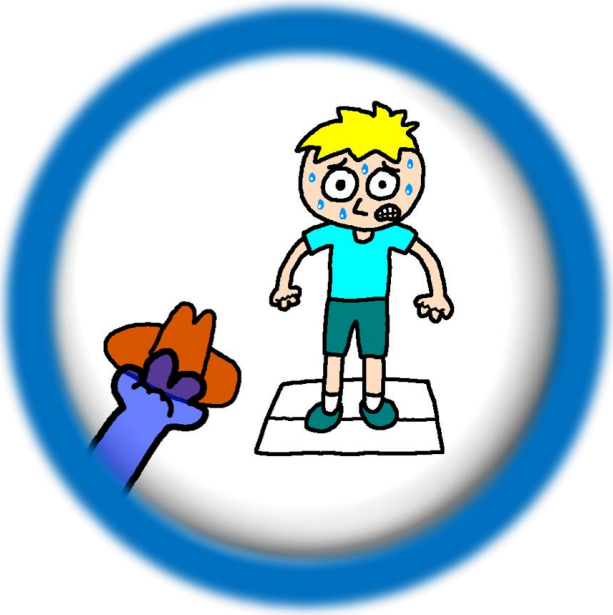
Put the Joy-Con on your palm and tilt it to move the maze around and get Owen to the end of the course.

5



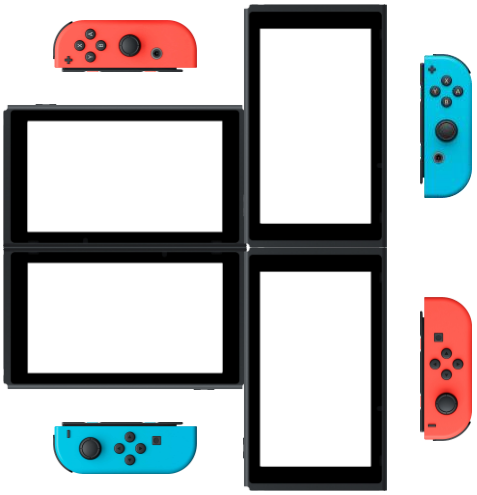
BLOMICS™

Aim with the Joy-Con and fire with the trigger to shoot at bad guys trying to kill you and stop you from completing your mission.



Devil Interviews™

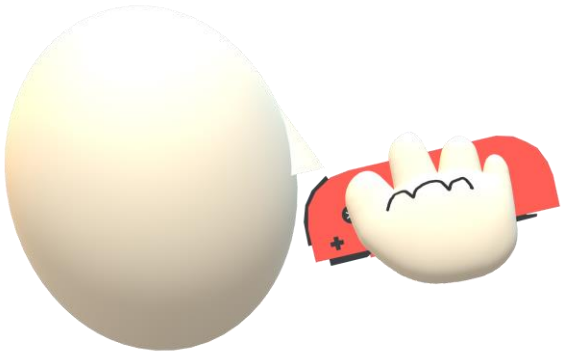
Your job is to link the evidence you have to a certain sinner. Each piece of evidence has a unique feel that only the HD Rumble from the Joy-Con can feel. Find a sinner who has the same feeling as the evidence you have so you can send them to the firepit.

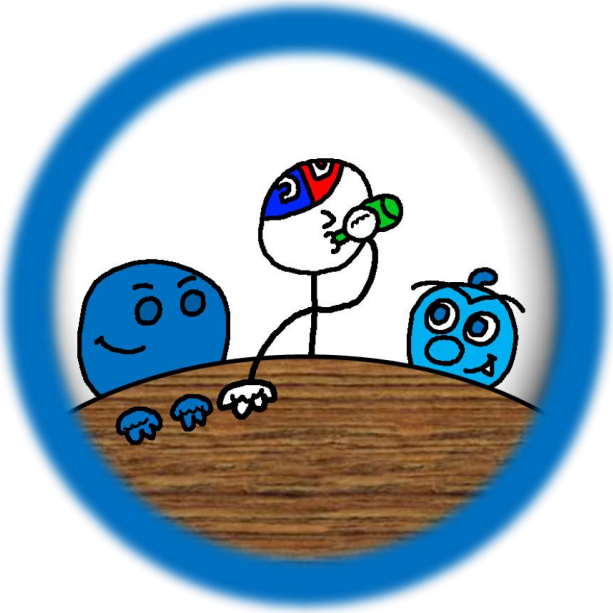


THE FOODPOCALYPSE™

Connect up to 2-4 Nintendo Switch consoles together and line them up to create unique maps for your team to kill a wave of food zombies.

A single player mode is also available if you don't have multiple Nintendo Switch consoles.





CLEVER ALL-STARS™

Everyone takes turns to see how much they can drink before they're out of the game. Feel the liquid with the HD Rumble from the Joy-Con for a full drinking experience.*

***Certain regions (e.g., UK, EU, etc.) will have alcohol changed to a more family-friendly beverage, fizzy pop.**

Coming exclusively to Nintendo Switch!

Introducing the online first-person shooter mobile game,

With easy-to-use controls for touchscreen play

and a variety of game modes!

- Deathmatch (PvP)
- Team Deathmatch
- Attack/Defend
- Capture the Flag
- King of the Hill
- Payload

Create your own character and choose their gender, skin colour, face and body shape, hair, clothing, and others.

You can even choose your character's voice with tons of different accents.

When you play a team-based game mode, you can choose two of these groups:

G.O.O.D

Governments **O**pposing **O**rganised **D**isorder

A worldwide task force comprised of agents and soldiers from all governmental agencies and armies in order to stop the criminal activity that poses a threat to their country and citizens.

B.A.D

Brutal, **A**rmed and **D**angerous

A nationwide criminal organisation that sells weapons, illegal drugs and other contraband, as well as negotiating robberies, terrorism and murder in order to increase their power.

This game will be free-to-play with in-game purchases for cosmetic items and other in-game content.
